

Bridge opening plans near completion

Plans for the June 8 Official Opening of Elk Point Bridge are nearing completion, with festivities to include entertainment, ribbon cutting ceremony and refreshments.

The afternoon will get underway at 1:00 p.m., with entertainment by the Elk Point School Band, Elk Point and District Ukrainian Dancers, the Clan McNaughton Pipe Band from Edmonton, Derwent violinist Joseph Hertz, and others.

The Minister of Transportation is expected to be on hand to officiate in the ribbon cutting ceremony. There will also be brief speeches by community leaders and other dignitaries.

The afternoon will wind up with a buffalo burger barbecue and soft drinks courtesy of the Elk Point Chamber of Commerce, and ice cream, courtesy of the Elk Point Historical Society.

Site of the Official Opening is the south bank of the river, two miles south of Elk Point. Arrangements for control of traffic and parking have been made to avoid difficulties entering and leaving the site.

For those not wishing to take their own vehicles to the site, shuttle buses will be leaving the Pioneer Circle Hall starting at 12:00 noon. Vehicles may be left at the Elks Hall parking lot. If you desire to leave before the completion of the event, the Elks Van will be on hand to transport you back to town.

Everyone is welcome to attend this historic occasion. For a more comfortable afternoon, you are urged to bring your own lawn chair along.

OUT TO LAUNCH — Mrs. Conrad's Grade 2 class at Elk Point Elementary School prepare to launch brightly colored bouquets of helium balloons as part of their study of transportation. Each balloon had a note attached asking the finder to contact the school or the student who released it, in an attempt to find how far the gas-filled globes will travel.

Council plans upgrading

Elk Point Town Council devoted much of their May 12 meeting to discussions of paving and sidewalk construction programs for 1986.

Council agreed to replace approximately 160 meters of sidewalk at various locations, with Town public works crew to remove the existing sidewalks and prepare the gravel base for the new concrete. One price has been obtained for placing the forms and doing the concrete work, and another will be sought before the job is contracted out.

Public Works Superintendent Ron Foese was present to review with Council the requirements and costs for paving, curbs and gutters in eight different areas of town. Various alternatives relating to the width of the street on 49 Avenue between 51 and 52 Streets, past the Pioneer Circle Hall and the Elk Point Curling Club, to maximize parking in this area, were discussed.

Council approved the construction of curbs and gutters on 51 Street from 49 Ave. to 50 Ave. at an approximate cost of \$4675. Construction of a service road and extension of 57 Ave. in the Industrial Subdivision was also approved, at an estimated cost of \$22,000. A previous estimate for the service road alone came to \$15,000. Culverts for the service road were also approved.

Tenders are to be called from local suppliers for a maximum of 2000 yards of gravel to meet municipal requirements, with prices for both delivered to the Public Works yard and spread on the streets requested.

Tenders will also be called for removal of a large pile of topsoil, approximately 7500 yards in volume, plus 1500 additional

Blizzard closes schools

An old-fashioned May blizzard swept into the Lakeland last Wednesday, dumping large quantities of snow, halting spring fieldwork and returning roads to midwinter conditions.

Heinsburg school closed for all of Thursday when the unseasonable weather continued into its second day, and several Elk Point buses did not venture out. Elk Point schools sent their students home at noon Thursday in the wake of a blizzard warning from Disaster Services. Schools were also to be closed Friday, but the return of sunshine late Thursday afternoon cancelled the extra holiday.

Now -- back to spring!

Fakeleys celebrate anniversary

Alfred and Vera Fakeley, longtime residents of the Lindbergh area, celebrated their 50th wedding anniversary Saturday night, with a good crowd of family and friends.

Sons Allan, Gordon and Gary, daughters-in-law Bertha, Carolyn and Deanna, their ten grandchildren and seven great-grandchildren were on hand to make the celebration a memorable one.

A number of presentations were made to the happy couple. MLA John Drobot brought greetings from both Provincial and Federal governments, including Alberta pins and a framed certificate from himself, plus other commemorative certificates from Premier Don Getty, Lt. Governor Helen Hunley, Prime Minister Brian Mulroney, M.P. Don Mazankowski, Governor General Jeanne Sauve, and

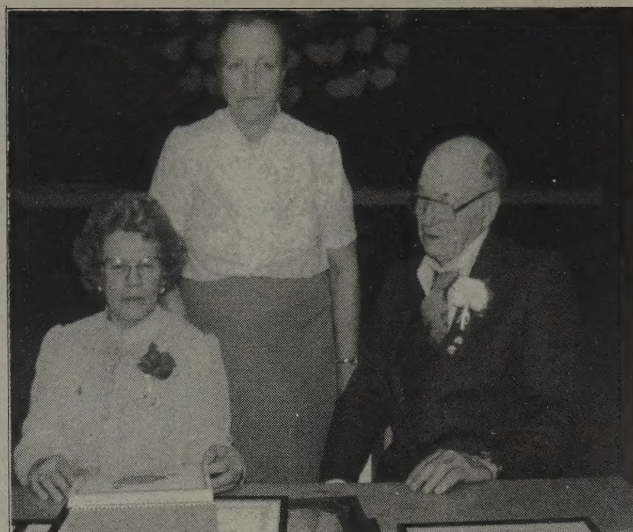

Leader of the Opposition John Turner.

County of St. Paul Councillor Bob Smith reminisced about the "good looking Bendixon girls" and the then newcomer to the district (Mr. Fakeley) who had stolen one's heart, and presented the Fakeleys with a handsome plaque from the County.

Mayor Ed Buck declared the Fakeleys "honorary citizens of Elk Point" and presented pins and a commemorative certificate to mark the occasion.

A very special gift was presented by family friend Lois Nichols, who had made up a history book containing "everything you wanted to know about the Fakeleys, but were afraid to ask" including the story of their first meeting, when they were "brought together by a cow mired in a swamp."

Son Gordon presented a certificate entitling the couple to a bus tour of British Columbia, including a visit to Expo 86, on behalf of family and friends, while his brother Gary presented an engraved plaque from the family, thanking his parents for teaching their sons "the importance of the family unit and the importance of love". Son Allan acted as master of ceremonies for the event.

FIFTY YEARS OF FAMILY HISTORY — Were condensed into the handmade volume presented to anniversary couple Vera and Alf Fakeley by long-time friend Lois Nichols (centre). On the table are a large collection of commemorative certificates and plaques presented to the Fakeleys.

Canada Day Committee

Plans for Canada Day in Elk Point are progressing, although the site for the celebrations is still in question.

It had been decided to move the event to the open area north of the A.G. Ross Agricentre, but it is not known if repaving of 51 Street will be complete by that time, and the piles

of dirt at the north of the arena may not be leveled out.

The program thus far for the gala event includes the pancake breakfast sponsored by the CBM Confectionery, OK3 Bakery and Work Wearhouse, from 8:00 a.m. until 10:45 a.m., Bed Races at 10:45 a.m., the parade at 11:30, arrival of the color party at the site at 1:00 p.m., subsequent introduction of VIP's and stage entertainment throughout the afternoon. (It should be noted that the Pancake Breakfast is a separate entity, and is not under the jurisdiction of the Canada Day Committee).

The next meeting of the Canada Day Committee will be held on Wednesday, June 4 at 7:30 p.m.

Search for talent

Northern Alberta's most popular showcase of amateur talent, The A.C.T./C.F.R.N. SEARCH FOR TALENT has successfully completed it's 39th season. Finalists appeared on 2/3 T.V. CFRN on Saturday, April 26th. Congratulations go out to the 1st place winners in each category: Redwater Boy's Choir from Redwater in the Junior Division, Robert Kiddell from Camrose in the Variety, Extensive from Dapp in the Showmanship Division and Helen Ha from Vegreville in the Sunwapta Division.

Winners from the Elk Point area include: Joseph Hertz of Derwent - 3rd in the Junior Division, Elk Point Ukrainian Dancers #4 - 2nd in the Showmanship Division, and Anne Fenton of St. Paul - 3rd in the Showmanship Division. Best wishes to them all for a successful future.

Good luck to those continuing on to the Northlands "Youth Talent Quest" during K-Days, in their effort to win a trip to the U.S. National Talent Show in Memphis. Many thanks on behalf of the A.C.T. Edmonton Club to all the contestants and sponsors who participated and made the 39th Search For Talent the success it was.

Next year marks our 40th Anniversary of SEARCH FOR TALENT. We have already begun making preparations for the most exciting showcase yet. Be a part of it.

It would be possible for a large quantity of this soil to be used in building ball diamonds, at the recreation area, Council noted. Also pertaining to the recreation land, the Elk Point Golf Club asked for Town assistance in finding grant-funded workers for golf course maintenance.

Council approved the purchase of Lots 21 and 23, Block 30, Plan 822 2935 at an approximate raw land price of \$4600, for necessary expansion of the Public Works yard.

Problems with uncompleted development agreement conditions for both Park Lane Investments Ltd. and Kenart Investments Ltd. were discussed, with letters to be sent to both companies. Another contractor, Routier Homes Ltd., is to be advised that straw and rocks must be cleaned off their vacant lots,

as this is untidy and unsightly and will not permit weed control on these lots later in the summer.

Bob Borger of WRD Borger Construction Ltd., will be invited to the May 26 meeting of council to discuss concerns addressed by him in a letter which was reviewed at the General Municipal Plan Public Hearing. Borger's concerns centre on the location of a collector road which bypasses the mobile home subdivision to reach his proposed residential subdivision located north of it. This was the only comment received at the hearing, which was not attended by any ratepayers.

Two requests were received from the Elk Point Chamber of Commerce. The first dealt with a luncheon for the dignitaries attending the Bridge Opening, which Council agreed to host. The second request, for development of overnight campsites on the CNR property adjacent to Railway Avenue, will be sent to committee to obtain costs of easement and servicing before being given further consideration.

Elk Point Pioneer teacher celebrates birthday

Mrs. Florence McDonell, who has lived in the Elk Point district for almost 60 years and who taught many of the area's residents during her long teaching career, celebrated her 86th birthday last week at a family dinner.

Mrs. McDonell came to Elk Point in the late 1920s, and rode horseback to her first teaching post at Shamrock Valley, where she earned the magnificent sum of \$5 per month.

She later married Eugene McDonell, who operated the first UGG elevator in Elk Point, and raised two daughters, Marie Buck of Elk Point and Ann Napper of Edmonton. She resumed her teaching career in 1942, teaching grades 1 to 3 in what is known as "the old courthouse", located behind the Town Office, and taught in Elk Point until her retirement in 1966.

Mrs. McDonell served the com-

munity as a Red Cross member for over 25 years and as Brown Owl of the local Brownie pack for 13 years. An avid curler, she once received a trophy from the St. Paul Curling Club for taking part in their Ladies' Bonspiel for 25 consecutive years.

She now resides at Fort George Manor, where she keeps busy with her hobbies of quilt making, needlework and baking.

A WAY TO REDUCE YOUR RISK

You can reduce the risk of losses due to low prices and decreased margins in your livestock operation by joining

THE NATIONAL TRIPARTITE PRICE STABILIZATION PROGRAM

- It provides protection against income losses.
- It assures cash payments to enrolled producers when price/margins fall below determined levels.

Equal contributions to the stabilization funds are made by:

- you, the participating producer
- the Government of Alberta
- the Government of Canada

JOIN NOW For maximum benefits, the deadlines for enrollment are:

June 15, 1986 for hog and lamb producers
June 30, 1986 for slaughter cattle and cow-calf producers

You have probably received a handbook, enrollment and registration forms. If not, they are available at district offices of Alberta Agriculture.

Have a safe grad

Sincere congratulations to the 1986 Graduating Classes in schools throughout the area. Twelve long years of bells, buses and books will culminate in the next weeks in the celebrations marking the end of your high school days.

As you leave school behind you and begin your adult life at a university, trade school or place of employment, you will take with you memories of friends, fun and a wide range of experiences which have happened during the past twelve years. Some of your most cherished memories will be of your graduation day itself, when you and your classmates will be honored for your achievements, and will pause both to reminisce on the past and look forward to the future.

Hopefully, nothing will mar the excitement and enjoyment of your special day. No accidents, no impaired charges, no fatalities, to

make those memories ones of horror, rather than of happiness. Maybe it isn't fair to mention incidents such as these in connection with graduation ... but, in years past, these things have happened, to turn a day of gladness into a day of tragedy.

Last year, all three of the high schools who took part in the Elk Point RCMP Detachment's SafeGrad Challenge showed that their students could meet the challenge of not driving while impaired or riding with an impaired driver during the twenty four hours between noon of Graduation day and noon of the next day. We anticipate that this year's Grade 12 students will show equal maturity and good sense, and will also be proud to say they have helped their respective schools to meet the 1986 SafeGrad challenge.

Have a great Grad, and take care!

Really hockey night

This week, for the first time in nineteen years, two Canadian hockey teams have taken to the ice in the battle for the Stanley Cup.

Way back in those pre-expansion days, it was the Toronto Maple Leafs and the Montreal Canadiens, the two and only Canadian teams in the NHL, who took part in the Stanley Cup series which started on April 20, 1967. The Leafs emerged the victors by a 4 game to 2 margin. This year, it's the Calgary Flames versus the Canadiens.

The Calgary Flames ended up in sixth place after their regular season, with only two wins out of 24 over their semi-final rivals, the 1984 and 1985 champion Oilers. Similarly, the Canadiens ended their regular season in seventh

spot. It is little short of amazing that these two teams pulled up their striped, wooly socks far enough to win their division playoffs, and then the semi-final series against such worthy opponents.

It just goes to show what determination and hanging-in-there can do for a team.

Now it's a battle between the ancient rivals, East and West, while the disgruntled American hockey fans look on and say, "Who cares? They're both Canadian teams."

We care. Here in the Great White North, we're going to enjoy every last minute of these 'Hockey Nights in Canada', no matter which team takes home the Stanley Cup.

Looking for jobs

By Irene Magnusson

What with Graduation looming on the horizon, and the end of school with all its tests in sight, I was reminded of this piece I came across one day. I was so impressed with it that I copied it out to read again. As with so many really good articles, this one was composed by Author Unknown. Many students will be applying for jobs, when school is out. Others are already looking. If you can correctly follow the instructions in this quiz, you are probably already one-foot-in-the-door toward making some boss happy with your work. You may have seen this test before. If you have, you know what to do, as someone else is working it out. (Be very quiet.)

Do have a go at it. It is called:

13. Put an X inside the square in the upper left hand corner.

14. In the space under the last direction on this paper, copy neatly, in your own handwriting, direction number one.

15. Now that you have read all of the directions as stated in number one, follow the second direction only. Do not follow any of the other directions. Omit them entirely.

16. Please do not give this test away. Do not make any comment or exclamation. If you have read this far, just pretend that you are still writing. Let's see how many people follow directions correctly.

This is a self-scoring test. As you can see, it could prove very helpful, if fully adhered to, when trying out for a job. It could surely help you to keep one, after you get it, too.

Congratulations Class of '86

Practice in Following Instructions
Name

1. Read carefully all of the following directions before doing anything.
2. Print your name, last name first, on the line following the word Name.
3. Draw a circle around the word "all" in direction number one.
4. Underline the word "name" in direction two.
5. In direction number four, draw a circle around the word "underline" and in sentence number one, cross out the word "anything".
6. Now draw a circle around the title of this paper.
7. Circle the numbers of sentences 1, 2, 3, 4 and 5, and put an X over number 6.
8. In the sentence number 7, circle the even numbers, and underline the odd. Put a circle around the number 4 in the fifth sentence.
9. Write "I can follow directions" above the title of this test. Start directly above the word "practice".
10. Underline the sentence you have just written.
11. Draw a square about one-half inch to the side of the upper left-hand corner of this paper. Draw a circle around the square.
12. Cross out numbers 8 through 12. Now circle the same numbers.

ORP PRESENTS TELEVISION — Honored Royal Lady Erica Bender presents a color TV to the residents of Elk Point Heritage Lodge. The handsome cabinet unit will be the focal point of the Lodge's quiet lounge area. Accepting the gift are (not in order) Nellie Rushfeldt, Catherine Yaremchuk, Anna Bristow and Julia Dembicki.

Dewberry News Roundup

By Cliff Cunningham
Dewberry Correspondent

May 8th, 1986 is the day that the people of Dewberry and districts should never forget. You started out by voting for the man of your choice in the Alberta Election, and then we all got a shock when we heard that Bill Maddex passed away in the Vermilion Hospital in the afternoon, about the same time as Mrs. Ellen Proud's funeral in the United Church at Dewberry.

Mrs. Proud was 91 years of age and passed away May 4th in the Islay Hospital where she made her home for a long time after she moved from Dewberry. A large crowd attended her funeral with Rev. Ted Norris of-

ficiating. Interment was in the Dewberry cemetery and lunch was served in the Dewberry Hall to a large crowd. We are all in sympathy with all her relatives and family.

Bill Maddex and his wife Grace were old timers of the Riverton district and moved into Dewberry a few years ago to retire after farming in the Riverton district for many years. His funeral will be on Monday, May 12th in Dewberry. We are all in sympathy with his wife Grace, their four sons and relatives.

Bill and Lillian Brock are the proud owners of a new Pontiac car.

The Lion L's mother's tea and farmers market was held in the Dewberry Hall, May 9th, with a good

turnout. Dever and Lenora DeFord were there with their pottery display of many different kinds for sale.

A large crowd turned out at the Hall, Saturday, May 10th to a farewell party for Pete and Nelsie Kotowich. Pete has been the manager for the Dewberry Co-op store for ten years and we all hate to see him leave. The reason for leaving is for his health. They both received many presents and a couple of plaques along with a donation of money from the district and town. The supper was potluck style with plenty of food for everyone. A program was put on for them and their relatives with songs, etc. Your news reporter gave a recitation.

Gerry Duhaime from Royal Travel was at the centre May 6th, showing slides and explaining tours. There was a small turnout. It seems there are not so many interested in tours this year. I don't know of anyone going to Expo '86 in Vancouver from Dewberry.

We had a ½ inch of rain and snow May 10th otherwise it has been from 60 degrees above to a low of 30 degrees above F. Not many gardens

planted yet as of May 12th.

More history news of Dewberry and districts handed in by John Anderson. July 17th, 1916 - Financial statement shows \$2.75 profit for the year. Miss Ida Kinshella to be paid .25 cents per meeting as caretaker to clean up lights, stoves, lamps, (etc.). Notice of all local brands to be put in the post office. May 6th - Bob Jack president. Debate on horses versus tractor power. June 3rd, 1916 - Twine to be ordered from Alberta Farmers Co-op Elevator at Islay. Ralf McGray speaker. (Note: This man is still living and is 97 years of age).

July 14th, 1916 - Membership raised to \$1.50 each. \$1.00 to go to central office. Membership down. 2 gallons of coal oil - .60 cents. Canvas for Red Cross \$222.20. Small lamp chimney - .15 cents. Jan 5th, 1918 - 32 members all men. March 2nd - M.L.A. Major Lowery gives talk on life in the world war trenches. June 1st, 1918 - Ice cream freezer \$18.15 (purchased). Picnic to be held north of Mike Kinshella's (old Rowat place). Soldier-wounded fund collection \$12.40.

Sept. 16th, 1918 - Alberta livestock brand book sent for. 1918 Victory Loan paper presented at meeting by J.W.G. Morrison of Vermilion. During the war about \$20.00 was sent to the Belgian war relief fund. Dec. 9th, 1918 - local has paid for \$90.00 worth of gopher poison. Financial statement shows \$39.05 on hand.

For the year 1919: T. Saville president, W. Porter secretary. Resolution asking Dominion Government to guarantee a minimum price for wheat. Discussion about local fire insurance. If possible for U.F.A. to form company. Resolution to keep out of district, large herds of cattle in our well established farming area. More telephone lines to be built. Motion to stop bulls from running at large. Two 100 lb. kegs of formaldehyde ordered from Farmer's Co-operative store at Kitscoty. Livestock shipping assoc. may be formed. Local will support baseball team if members only are the players or belong to some U.F.A. local. (More history next week).

Tulliby Lake 4-H notes

By Pamela Chamberlain
Club Reporter

The clothing unit held a workshop on April 16th at the Communiplex, the lesson being on crocheting.

The beef project held its calf tour on April 19th. We went to all the members' farms, looking at the projects. At the end we had a nice lunch, thanks to Greta Gray.

On May 3rd, the club participated in the Alberta Highway Clean-Up. We cleaned the highway from Alcurve to Marwayne. Afterwards we had a dinner of Kentucky Fried Chicken.

On May 7th we held our last monthly meeting for 1985-86. We planned our Achievement Day, to be held on May 31st. After the general meeting, the beef unit set up a workshop for working on our barn display. This was held on May 11th at leader Duane Young's house. The clothing unit planned their part in the Achievement Day. We received our club jackets.

We would like to congratulate Sara Lynn Chamberlain on winning first

place in the Northeast Regional competition (1985) with her junior clothing project book. She has been awarded a trip to 4-H camp at Moose Lake this summer. Pamela Chamberlain received second place in the senior clothing category.

We would like to remind everyone that our Achievement Day will be held on Saturday, May 31st at the Tulliby Lake Communiplex. It will start at 1:00 p.m. with the beef show. Supper will follow. After supper will be the clothing fashion show, the presentation of the awards, and guest speaker David Hines speaking on and showing slides on his recent trip to China. During the day, clothing displays will be set up in the hall and the poultry project will be displayed outside. Everyone is welcome to attend.

The club will be participating in the 4-H Expo in Lloydminster on June 1st and 2nd. The beef unit will be showing their projects and the sewing unit will have a display in the Wild Rose Pavilion.

APPLICATIONS NO. 850744 AND 851477
AMOCO CANADA PETROLEUM COMPANY LTD.

- COMMERCIAL PROJECT LANDS INCLUDED IN PHASE 1 APPROVAL NO. 4491 (16.19 HECTARE WELL SPACING)
- PROJECT LANDS INCLUDED IN APPLICATION NO. 850744 FOR REDUCED SPACING (3.8 HECTARE WELL SPACING)
- ADDITIONAL LANDS REQUESTED IN APPLICATION NO. 851477

Residents and landowners in the Lindbergh oil sands development area are hereby notified that the Energy Resources Conservation Board has received and is evaluating applications from Amoco Canada Petroleum Company Ltd. to add several parcels of land to its Lindbergh commercial project area to allow the drilling of additional wells on two sections of land within the existing project area and to expand the existing central processing plant capacity. Anyone having specific concerns regarding the changes is invited to call Mrs. Beverly Baylis, Elk Point Energy Information Centre (telephone: 724-3130) or at home (telephone: 724-3801), or Mr. Terry Abel, Board Oil Sands Department (telephone: 297-3382). Your specific concerns should be filed with Board by 20 June 1986, either by contacting Mrs. Baylis or Mr. Abel directly, or by writing the Board at its address set out below. Copies of the applications are available for study at the Elk Point Energy Information Centre, in the Public Library, 5123-50 Avenue, Elk Point, Alberta, and at the Board's Records Centre in Calgary. The applicant proposes the following:

- APPLICATION NO. 850744**
- Reduce well spacing from 16 hectares (40 acres) to 4 hectares (8 acres) in Sections 28 and 29 of Township 55, Range 6, West of the 4th Meridian, with the additional wells to be drilled from existing cluster pads.
 - Expand the capacity, from 640 to 1280 cubic metres per day of crude bitumen of the existing processing facility, located in the North-west quarter of Section 28, Township 55, Range 6, West of the 4th Meridian.

- APPLICATION NO. 851477**
- Include additional lands in the area subject to Board Approval No. 4491 as shown on the attached map.
 - Amend the said Board approval to provide for the recovery of crude bitumen from all the other oil sands deposits of the Mannville Group in addition to the Wabiskaw-McMurray oil sands deposit.
- DATED at Calgary, Alberta on 9 May 1986.

Clandonald News

By Shirley Osinchuk
Clandonald Correspondent

May 13: Warm and sunny. Tractors rolling, yard work in progress, talk of garden planting.
May 14: Snow!
May 15: Still snowing! School buses can't run. Guests from Toronto and Vancouver are not impressed when

they arrive and have to have rubber boots carried to their cars so they can get to the house.
May 16: Sunny. Ice on the puddles, and the mud frozen where it shows through the snow. The robins have their feathers fluffed up trying to

keep warm. They are not impressed either.
On Monday, May 12, the PeeWee girls played Elk Point in Clandonald and won their game. On Tuesday, the Bantam girls lost 8 - 5 to the Rusylvia team, in Rusylvia. The same night, the PeeWee boys played in the rain in Vermilion and lost to the Vermilion team. Games scheduled for the rest of the week were snowed out.

Congratulations to Marlene and John Lawrence on the birth of their daughter Janine Marguerite, on May 12, the baby sister that Jennifer, Steven and Cameron have been asking for. Mrs. Annie Lawrence, and Mr. and Mrs. Griebel of Clandonald are the proud grandparents.

Congratulations and best wishes to

Sharen Osinchuk and Bruce Stein, who were married on Saturday, May 17.

The monthly blood pressure clinic will be at the Friendship Centre on Tuesday, May 27, from 2:00 to 3:30.
Mark this date on your calendar: Sunday, June 8, the 4-H club invites everyone to their Achievement Day Show at 1:00 p.m. at the skating rink. The following day, Monday, June 9, they will take part in the Interclub Show and Sale at the Vermilion Fair Grounds. The show begins at 9:30, and the sale at 2:30. They will be there with the clubs from Preston, Derwent, Vermilion and Mannville.

What did the ocean say to the beach?
Nothing. It just waved.
